North Carolina Pre-Kindergarten (NC Pre-K) is a high quality, FREE* educational program designed to enhance school readiness and prepare four-year-olds for Kindergarten. NC Pre-K classrooms typically operate on the local school system calendar. *The only costs that may be associated with the NC Pre-K program would be a fee to cover the partial/full costs of meals when families do not qualify for free/reduced priced meals. Transportation is not provided by NC Pre-K.

Many factors are considered when determining eligibility. Your child must be 4 years old on or before August 31, 2021 in order to be considered. In addition to your child’s age, a high priority is placed on serving children who are “at-risk”, such as low income or limited English proficiency. Information collected with your child’s application will help determine your child’s eligibility and potential placement in the program.

Applications will be accepted beginning March 1, 2021 through April 30, 2021. Please pre-register online at www.rowan-smartstart.org. Applications received after the deadline may be considered only when there are openings.

Please mail or drop off a completed, original application along with the following documents:
